Manager Week 1

1 Is current week's restaurant cash at or below .05%?

Response
(0 of 0 pts)

Comments
TEST. For questions #2, #4 & #6, managers were able to input their results in the comments section and add names.

2 Are there any managers who are at +/- $2 threshold as per Cash Management Policy?

If so, identify the top two (2) managers, dollar amount and what action was taken.

Response
Yes
(0 of 0 pts) (Failed)

Employee Name	Coaching	1st Verbal	2nd Verbal	1st Written	2nd Written	First and Final	Termination	Comments

3 Are T-Red AFTER at or below .90% for the current week?
